|    |   |  | C.1 Design and implement a system for online viewing of assessment and payments as provided in the revenue law   | To increase transparency of the business practices and eliminate leakages   | Delta State Internal Revenue Service (DIRS)                                 |  | 30,000,000.00  | 1/3/2023 | 6/30/2023  | Completed   | The design and implementation of the self-service portal is active and in use (https://selfservice.deltairs.com)  | To create awareness so as to increase individual taxpayer in the direct assessment scheme to use the portal  |  |  |  |  |  |  |  |  |
|    |   |  | C.2 To publish an online dashboard for MDAs' and DIRS to be updated regularly (as payment are made). The dashboard will clearly highlight the name and amount of taxpayers.  | To increase transparency of the business practices and collection of fees, thereby increase revenue generation.   | Delta State Internal Revenue Service (DIRS)                                 |  | 30,000,000.00  | 1/3/2023 | 6/30/2023  | Completed   | The REEMSONLINE Dashboard for viewing payments is active and in use showing name of taxpayer, amount, bank and date of payment (https://reems.deltair.com)  | Giving access to authorised users only   |  |  |  |  |  |  |  |  |
|    |   |  | C. 3 Design and develop single window system that will issue receipts to taxpayers via taxpayers emails after online payment.  | To increase transparency of the business practices and eliminate leakages   | Delta State Internal Revenue Service (DIRS)                                 |  | 30,000,000.00  | 1/3/2023 | 6/30/2023  | Completed   | Receipts for online payment are issued and sent to taxpayer's email. This can be done through our website and via the self-service portal   | To create awareness so as to increase users of the online payment platform   |  |  |  |  |  |  |  |  |
|    |   |  | D. Taxpayers Service: Taxpayer registration and access to taxpayers page   | To make taxpayer registration easy for taxpayers  | Delta State Internal Revenue Service (DIRS)                                 |  |                | 1/3/2023 | 9/30/2023  | completed   | This has been completed as taxpayers and tax agents can make registration online through the self-service portal (https://selfservice.deltairs.com)   | Validation and use of JTB TIN during registration going forward  |  |  |  |  |  |  |  |  |
|    |   |  | D. 1 View taxpayer as: (a) Tax Agent (b) Employee and (c) Self Employed  | To categorise and identify the different taxpayer types for profiling purpose   | Delta State Internal Revenue Service (DIRS)                                 |  |                | 1/3/2023 | 9/30/2023  | Completed   | This is active during taxpayer registration via the self-service portal ( https://selfservice.deltairs.com )  | Self Assessment by taxpayers   |  |  |  |  |  |  |  |  |
|    |   |  | D. 2 Design a system that will enable taxpayers to be able to view assessment, view MDAs' assessment for Fees, Levies and Charges, upload/file Monthly and Annual Returns, view Employee Tax Clearance Certificate and also make payments online.  | (i) To provide an easy access for taxpayers to view assessment and make payment thereby eliminating leakages in the collection process; (ii) To help engender the culture of voluntary compliance | Delta State Internal Revenue Service (DIRS)                                 |  | 400,750,000.00 | 1/3/2023 | 9/30/2023  | Completed   | This system is active and was put to use in the upload/filing of the 2023 annual return January this year (2024). Taxpayers can now file annual and monthly PAYE returns; Withholding tax return; view assessment from CMBS; make payments online; and view processed employee TCC through their self-service page (https://selfservice.deltairs.com/account/login)   | Automatic generation of TCC after assessment approval by the relevant officers   |  |  |  |  |  |  |  |  |
