# ENABLING LAWS (Delta State Internal Revenue Law 2020)

The Delta State Internal Revenue Service Law empowers the service to act as a sole body of the State responsible for collection and accounting all revenues accrued to the State including the State MDAs.

The levies, Fees, Charges and Rates are harmonized in the Consolidated Internal revenue Law of 2020 as amended.

The Consolidated Internal revenue law of 2020 as amended can be found on the Delta State Internal Revenue Service Website , see link below.

# CENTRAL MDA BILLING SYSTEM (CMBS)

## **DLI5: Increased Transparency of official fees and Procedures**

The Delta State Internal Revenue Service (DSIRS) Law empowers the Service to act as a sole body of the State responsible for collection and accounting for all revenues accruable to the State including Ministries, Departments and Agencies (MDAs). Delta State Levies, Fees, Charges and Rates Assessments are electronically generated through the DSIRS website (<https://deltabir.com>). On DIRS website click “Important Links” then also click on the “MDA login button”, this will take you to the Central MDA Billing System (CMBS) <https://cmbs.deltabir.com/Loginn#!>

However, raising and validating of assessments for each MDA fees, levies and charges are done by the officers (referred to as Initiator and Validator) of the MDAs at the MDA level. The DSIRS will now harmonized all the levies, Fees, Charges and Rates from the participating MDAs into a “Consolidated Demand Notices”. All the above processes are done through the Central MDA Billing System (CMBS). Taxpayers can also view assessments from all MDAs on their self-service page.
